

ABSEL Pre-Conference Professional Development Workshop and Poster Presentation

Workshop Theme: *The Future of Hybrid Learning*

Call for Workshop Proposals:

The ABSEL Pre-conference Workshop aims to support the professional development of our members and educators at large in their work with learners. The pre-conference workshop aims to provide hands-on experiential exercises relevant to helping educators enhance their effectiveness.

We particularly encourage proposals that focus on the theme, ***The Future of Hybrid Learning***. Proposals can focus on lessons learned from teaching in hybrid contexts during the COVID-19 pandemic and provide teaching strategies and solutions on how to leverage hybrid learning to strengthen the future of business education. We suggest proposals include a hands-on interactive component to facilitate experiential learning. We invite workshop proposals to fit within the following time-frames: (1) 20-minute workshop, (2) 45-minute workshop, and (3) 75 minute workshop.
